HELPS

St. Michael Indian School is a community of over 345 students in pre-k through 12th grade located near the Navajo Reservation in St. Michaels, Arizona (far northeast). Founded by Saint Katherine Drexel in 1902, SMIS provides Catholic education to Navajo students. Many of the students need simple winter items such as jackets, beanies, and mittens or gloves for the cold weather. It will be our mission to collect as many winter items in various sizes to accommodate as many students as we can during our Catholic Schools Week.

Bins will be located in the lower hall, upper hall, and the church. Please bring all items in by Friday, January 31st!
