

Dear ACS Parents,

If you have ever been involved in a construction project, this won't come as a surprise. We have learned that our target date of Dec. 4 for the Certificate of Occupancy has been moved to Dec. 18. The construction team is very confident that this date is firm. That means Saturday, Dec. 19 will be our first moving day instead of our last.

We have removed Dec. 5 and 12 from the Mobile Serve sign up page and added Monday, Dec. 21 and Tuesday, Dec. 22. We are hoping that some parents will be at home and available during that time. Remember, no students, please, except for 8<sup>th</sup> graders. We are also reaching out to our ACS alumni who are in high school and college. We are hoping to add many of them to our volunteer roster for the three moving days.

Please go to <https://mobileserve.com/> to volunteer. Many hands make light work!

Thank you!
