March 10, 2021

Greetings Friends and Community Business Leaders:

Annunciation Catholic School, Cave Creek's leading K-8 Catholic School and the only school of its kind serving the entire North/Northeast Valley, is hosting its Evening Under the Stars fundraising event on Saturday, April 24, 2021. As we continue to help our children reach for the stars in our rapidly growing school, each year we look for the community to support us with a donation to be used in our featured Silent Auction or a Sponsorship. Last year, this marquee event was attended by 175 people. Evening Under the Stars is highly publicized within the community through Facebook, Twitter, the Annunciation website, newsletters and local area Catholic Parish bulletins.

Generous donors like you are the key to our success and make it possible to provide local children the opportunity to excel academically, spiritually and socially. With your help we can provide things such as new STREAM (Science, Technology, Religion, Engineering, Arts, and Math) materials available for our students, updating our computer software, and programs such as art, music and Spanish. Your generous donation helps us to continue our growth while delivering a first-rate educational experience for promising young students. All contributions are gratefully accepted and applied directly towards our students' education and help us reach our goals. Annunciation Catholic School is a 501(c) (3) organization, tax ID #30-0513833.

If you are considering a sponsorship, please complete the attached form or go to our website at [www.acsphx.org](http://www.acsphx.org) and click on the Evening Under the Stars picture to choose a sponsorship level, upload your company logo and pay online.

Thank you for thoughtful consideration of this request. Your partnership and sponsorship is greatly appreciated and will have an immediate positive impact on the lives of our school children. If you have any further questions, please contact Keli McCann directly at 480-361-8234 ext.8112.

Sincerely,

The Annunciation Fundraising Team
