

Service Project 2022

Our Catholic Schools Week Service Project is to collect Art and Craft supplies for St. Michael Indian School

Founded by Saint Katherine Drexel in 1902, St. Michael Indian School provides Catholic education to Navajo students. Located in the Navajo Reservation in St. Michaels, Arizona (far northeast), SMIS is a community of over 345 students in pre-k through 12th grade. We would love to accommodate as many students as we can during our Catholic Schools Week as we have in the past. This will be our 3rd year in a row keeping our ongoing relationship with St. Michael Indian School!

Please bring all items in by Friday, February 4th!

*****Bins will be located in the school buildings and the school office*****
