

2022-2023 Business Sponsorship Opportunity

Annunciation Catholic School provides opportunities for businesses to advertise while supporting our school. On Thursday, October 19, 2022, we will host the Boosterthon “Glow Run”, a fun character and fitness-focused fundraiser. To offset the cost of this event, we partner with businesses and advertise their company on the back of the event T-shirt that each student will receive. Students wear their T-shirt year-round as a symbol of pride for their achievement. In receiving this letter, your company has been identified as a business our community supports. Thank you in advance for your consideration and support. As a way to give back to you, we will show our support and advertise your business in the following way.

This year, event proceeds will financially support our technology and athletic programs.

Champion (\$3,000) – Exclusive Sleeve Logo placement on Boosterthon T-shirt; includes a middle/large, printed logo on sleeve, your business card information on our school website for the school year. Any promotional materials to be sent home with the students, name on water station at event. Champion Business Sponsors will also be recognized in the St. Gabriel Sunday bulletin for two weeks, ACS monthly newsletter, as well as mentioned on our social media platforms (Facebook, Twitter, and Google+).

Runner (\$2,000) – Premium level (top placement) on the Boosterthon T-shirt; includes a middle/large, printed logo on the back, your business card information on our school website for the school year. Runner Business Sponsors are also recognized in the St. Gabriel Sunday bulletin for two weeks, ACS monthly newsletter and mentioned on our social media platforms (Facebook, Twitter, and Google+).

Sprinter (\$1,000) – Higher level on Boosterthon T-shirt; includes a medium/small, printed logo on the back, your business listed on our school website. Sprinter Business Sponsors are also recognized in the St. Gabriel Sunday bulletin for two weeks, the ACS monthly newsletter, and on social media platforms.
