

Getting Started Guide

Annunciation Catholic School will be using MobileServe to track hours served. MobileServe is available as a mobile app in the App store and Google Play and can be used on most smart phones and tablets. If you would rather not use the mobile app, you can create and manage your MobileServe account from any internet-connected device. MobileServe will allow you to see all volunteer opportunities in one spot, sign up, sign-in and obtain a signature from the organizer, pin your location or add photos of you volunteering as verification of your service. Just create an account for your family and get ready to serve!

1. Go to the App Store or Google Play
2. Search "MobileServe"
