

2024 Spring ITBS SCORES - Grade Equivalency (GE)

The Iowa Tests of Basic Skills (ITBS) are national achievement tests that assess students' skills in Reading, Language, Mathematics, Social Studies, and Science. The ITBS compares our students to students across the United States; the 50th percentile is considered average.

The charts below represent the grade level average for the core content areas, Math, Reading and Language Skills. Students took the test in the eighth month of the year (testing age of 1.8 means 1st grade, 8th month). A first grade student's grade equivalent score of 2.3 means the child tested as a typical student in 2nd grade, 3rd month taking the first grade test.
